Trip Advisor Certificate of Excellence for The Devonshire Arms at Bolton Abbey

The Devonshire Arms Country House Hotel & Spa at Bolton Abbey has been awarded a Certificate of Excellence from the acclaimed travel site Trip Advisor. The award is presented by Trip Advisor to properties who consistently receive excellent ratings from its members.

General Manager, Brian van Oosten said, "I am delighted to receive this certificate and it acknowledges the high standards everyone here works hard to maintain. Everyone plays their part whether it's in housekeeping, the kitchen or front of house and it's always a boost to receive an award. And I would like to take the opportunity of saying "very well done" to all my staff for their contribution."

Trip Advisor is the world's largest travel community where visitors to the website can get feedback, advice and opinions from the millions of travellers who send in their views. It's also a portal for making bookings and where travellers can find special offers.

The Devonshire Arms Country House Hotel & Spa is credited with 4 AA red stars and 4 AA rosettes and a Michelin star for the Burlington Restaurant. The award winning hotel offers 40 bedrooms, 2 restaurants, private dining and meeting rooms, as well as a health and leisure club in a beautiful parkland setting on the 30,000 acre Bolton Abbey Estate owned by the Duke of Devonshire.
